

# WELCOME TO SLOCOMB ALABAMA

www.SlocombAL.com

Slocomb Alabama is a wonderful place to live or to retire. We are about 15 minutes from two major hospitals and the new theme park, Country Crossing [www.countrycrossingalabama.com](http://www.countrycrossingalabama.com). Slocomb tomatoes are well known through out the south! We hold a tomato festival in June. Slocomb is also 2 hours from the white, sandy beaches of Panama City and Destin Florida. While visiting our area, you will want to check out some of our local arts, crafts, gift and antique shops. Restaurants too! The area has many produce stands, where you can pick your own fresh produce or buy it right from the farmer. Hope you enjoy your visit!!!
